

HAREFIELD HOSPITAL COMMUNITY

Carnival

and Gymkhana

Saturday, May 28th, 1977 — Jubilee Year

Sponsored by the Hospital Entertainments, Harefield Community Association and the Harefield Hospital League of Friends

PROGRAMME 10p

LUCKY No.....

Carnival Procession

The Procession will assemble in Moorhall Road, South Harefield.

Judging of the floats will take place before, during the procession, and at the Carnival site in the Hospital grounds.

The Procession will leave Moorhall Road at 12.30 p.m. and turn left into Harvil Road, up Church Hill, through the village, across the roundabout to the Hospital grounds, arriving at approximately 1.30 p.m.

The Carnival Queen will present the trophies.

Harefield Hospital has good reason to celebrate this Silver Jubilee Year. It is sixty years since the ANZAC hospital was established, fifty years since it was handed over to the Middlesex County Council for civilian use; and forty years ago the main building was opened by the late Duke of Gloucester.

Built for use as a sanatorium, the decrease in the incidence of tuberculosis and the 1939 war brought a change in the type of patient treated. In addition to patients with diseases of the chest, treated medically and surgically, a number of military and civilian casualties were nursed here during the war and afterwards the "temporary" wards built for that purpose were used for general medical and surgical cases, and geriatric patients.

Patients for lung and heart surgery come from a wide catchment area, and also from various centres in parts of the British Isles where there are inadequate local facilities to care for patients. We also get a number of patients from overseas. In such a place as Harefield it is difficult for relatives of some patients to visit on a daily basis, and some are found accommodation by the League of Friends and others by many local families who take them into their homes. This is a need which continues to present problems and more help would be welcome.

Dear Visitor,

On behalf of the Committee I would like to welcome you to our Jubilee Year Carnival and Gymkhana.

This year the Harefield Hospital Entertainments Committee, the Harefield Community Association and the League of Friends of Harefield Hospital have joined together to arrange a day that will provide entertainment for all the family, and events in which many people may participate. There are many attractions, sideshows, stalls, arena events, and we hope that you will find much to interest and amuse you.

As in past years the purpose of raising funds in this way is to provide for hospital patients and staff those extra amenities for which the Area Health Authority cannot spare their limited resources, and also to secure funds for the rebuilding and refurnishing of the Harefield Community Centre on Moorhall Green.

My Committee would like to thank all the local residents, business people and members of the hospital staff who have given so generously towards the provision of cups and trophies for the Gymkhana and other competitive events, prizes and donations for the stalls, and to all who have given time, money and materials to help us run the Carnival and Gymkhana.

We wish you a very happy day, success in the raffles and competition events, and we thank you all for coming to support us.

Reg Whitmore,
Chairman

CARNIVAL QUEEN

Our Carnival Queen was selected this year at a Carbalet Dance which was held on the 7th May. Her float will be the focal point of the Carnival Procession, and she will be officiating throughout the day.

Among today's attractions

VINTAGE VEHICLES - see page ten of this Programme

JEAN CHAPMAN. Jean will be taking part in the Carnival Procession, riding with her husband in their white Rolls Royce. Later in the afternoon (about 4 o'clock) she will be entertaining us with a "Wild West" act. Jean is an amazing lady, she holds the world record for fire-eating - 720 flaming torches in just two hours. As a child actress she appeared in many films - The Lavendar Hill Mob with Alec Guinness, The Extra Day with Beryl Reid and My Teenage Daughter with Sylvia Sims, etc. She went on to riding elephants in a circus, did chorus in pantomime and rope spinning. Her night club act was so successful that she was asked to spin guns as a "stand-in" for Emma Peel in The Avengers. She taught herself fire-eating. Went on tour in Germany. Has often appeared in children's TV programmes.

HIGHLAND BAND. Mr. Jock Reynolds teaches music to a night class at Samuel Pepys School in South East London. From the men and boys who attended his class, he has formed the Highland Band, the youngest member being only 9 years old. Whenever possible, they travel around the country playing for various charities. We are delighted to have them with us today leading the procession and playing during the afternoon.

STEEL BAND. The New Found Crusaders (who have appeared on TV) will be playing at approximately 3.30 p.m. for half an hour. Dancing to their music will be Sister Alexis and some of the nurses from the hospital. They will also be providing the music for the Carnival Dance.

BOYS FIVE-A-SIDE FOOTBALL. This event, organised by Mr. Colin Holmes, is for boys from four 4th year classes at Harefield Junior School. They compete each year for a cup. There will be two 1st round ties then a play-off for 3rd and 4th places, followed by the Final. The draw will be made prior to the start of the matches.

JUNIOR NETBALL. The Junior School Netball Team, selected from girls in the 4th year, have played in the Inter-Schools League and in two rallies with schools in the Borough. They play 9 matches in their league and so far have won 6 out of 7, with 77 goals for and 20 against. All

4th year girls are able to participate in the inter-class matches which are very popular. Our aim is to give the girls an introduction to the game of netball which they can continue in their Secondary Schools.

PUSH-BALL COMPETITION (Clubs and Pubs).

This exciting event is sponsored by the Ex-Servicemen's Club of Harefield to whom we are extremely grateful. The competition is between teams of eight, each team representing a Club or Public House in Harefield. Don't miss this contest - it should be great fun ! :

THE KENT SNOWFLAKES . The Snowflakes are a group of twenty students between the ages of 12 and 15, who come from the Medway Towns. They have been practising together for 12 months and have performed at several Carnivals during the year. Their costumes were provided by the girls who ran jumble sales and discos to raise the money. Their leader is Barbara Griffin, and the group is sponsored by the Kent County Council Youth Movement.

PETS CORNER . The Hillingdon Mirror's Children's Club "BULLSEYE" are this year organising a Pets Competition which includes the following classes :- Dogs, Rabbits, Cats, Mice, Hampsters, Gerbils, Tortoises and Budgerigars. If you wish to enter your family pet, the entry coupon will be in the Bullseye Page of the Hillingdon Mirror. The judging will start at 2.30 p.m. at the Pets Corner of the Carnival Fete.

The Carnival will be held in the south part of the Hospital Grounds and pedestrian visitors are asked to arrive by the gate opposite the Village Green (next to the Kings Arms Garage).

CARNIVAL PROGRAMME

Cups, etc. will be presented by

KIM McDONALD

star of the TV series, "Horse in the House."

Uxbridge & District Vintage Vehicle Society

This Society was formed in July 1963, when some 40 enthusiasts attended the inaugural meeting. During the past 13 years the Society has grown from strength to strength and has gained a nation-wide reputation in the preservation movement.

It was decided from the start that as well as being an organisation that would benefit enthusiasts by enabling them to meet and discuss vintage transport in general, the Society would try in as many ways as possible to help to raise funds for local charities and any other worthy causes in the Uxbridge district by means of displaying members' vehicles etc., at carnivals and similar events. This purpose has been accomplished successfully over the years.

This thriving Society in fact caters not only for owners of vintage vehicles, but for anyone who has an interest in them. There are more than 200 vehicles owned by members, which include cars, motor cycles, fire engines, lorries, taxis, stationary engines, etc. Many of the items on display today have received major awards in National events and are worthy of your careful inspection.

Meetings of the Society are held at "The Grapes", Uxbridge Road, Hayes, on the 3rd Tuesday of every month where a varied programme of talks, discussions, slide shows etc. are arranged and anyone interested is welcome to come along and join us.

The Hon. Secretary is:- W.H. Howe, 235 Eastcote Lane, South Harrow.

The Society is affiliated to the Transport Trust which is a registered charity whose objects are to assist in the preservation of all forms of transport.

DAVE PARISH
Chairman

Forthcoming attractions

The Long Life Angling Club

This Club is holding its Annual Open Fishing Competition on the 24th July, 1977, when all the proceeds will be going to the Hospital Carnival Fund.

The competition will be held on two lakes, TROY LAKE and NORTH TROY, and apart from the highest weight on either lake there are other prizes for the individual best catch. The main trophy of the day is a cup donated by Mr. and Mrs. A. Owen.

The Match Secretary is Mr. B. Russell of 15 Springwood Close. This Angling Club has been established now for 18 years and for 15 of these Mr. Bill Squires has been Chairman. The Secretary is Mr. Ron Jordan.

Every week, or indeed every day, of the season you will see someone from the club at the lake. One story that Bill tells is of a member who hooked a really large trout but didn't have his landing net, so he took to the water in an effort to bring it in. All he got for his troubles was wet clothes.

The Carnival Committee wish the Open Competition and the Angling Club lots of success and LONG LIFE !, and we hope to be there on the day, July 24th, to present the prizes.

HAREFIELD VILLAGE FAIR

SATURDAY, 2nd July 1977 - to be held at THE GROVE

See - THE MODERN ARMY, THE CHILTERN
COWBOYS and the DONKEY DERBY

and again by special request FIVE-A-SIDE FOOTBALL, including
