## **Chairman's Letter**

It gives me great pleasure to welcome you once again to the Harefield Hospital Community Carnival, Gymkhana and Horse Show. For the third year in succession I have been backed by a tremendous committee jointly formed by the Hospital Entertainments Committee, the Hospital League of Friends and the Community Association, and our thanks are owed to these hard working people, who have produced a programme of exceptional variety which we hope will appeal to all of the family.

Speaking on behalf of the Committee, they wish to thank all of our sponsors and contributors, both with physical help as well as gifts, for the most generous assistance so freely given. Once again the Hospital Staff have been extremely generous in presenting cups and trophies for the Gymkhana and Horse Show which has built up over the years into a prominent event in the horse world.

A carnival procession is not an easy event to organise and without the support of our local constabulary would not have the success that the last two years has shown. We do thank sincerely both the regulars and the specials who line the route and control the not inconsiderable traffic problems.

Lastly, and most important, please enjoy yourselves. The programme has been aimed at providing something of interest for everyone and there are always committee members around to advise. Join with us in wishing for a day as fine and enjoyable as the 1977 event.

Good Luck :  
Reg Whitmore

## ***Carnival Procession***

The Procession will assemble in Moorhall Road, South Harefield, by the Half-Way House.

Judging of the floats will take place before and during the procession.

The procession will leave Moorhall Road at 12.30 p.m. turn left into Harvil Road and go up Church Hill, through the village and will enter the Hospital grounds by the gate next to the King's Arms Garage at approximately 1.30 p.m.

### *Among today's attractions*

**ROY CASTLE** — We are very fortunate this year in having this very popular celebrity at our Carnival. Roy is a great artiste and we are very grateful to him for being with us today.

**ROLO AND SHANDY** — Two Musical Clowns will entertain you and the children with their Comedy, Magic, Balloons and Novelty items featuring their musical instruments.

Maximum audience participation. You and the children will love them.

**THE HIGHLAND BAND** — The stirring sounds of the pipes and drums will be heard as The Highland Band leads the Carnival Procession up the hill and through the village.

Mr. Jock Reynolds formed the band from his night class at Samuel Pepys School. Whenever possible, they travel around the country playing for various charities. They are playing for us in the arena during the afternoon.

**THE KENT SNOWFLAKES** — These talented young majorettes from the lovely county of Kent are, by popular request, again appearing in our Carnival and later in the arena.

The girls, led by Barbara Griffin, are sponsored by the Kent County Council Youth Movement.

Their costumes are provided by their own efforts at fund raising. We welcome them, once again, to Harefield.

**THE NEW SOUND CRUSADERS** — No Carnival is complete without that melodious music from the Caribbean, The Steel Band. Today this famous group will be appearing on one of the floats in the procession. During the afternoon they will be in the arena.

**TRAMPOLINE DISPLAY** — This display is given by a team from John Penrose School with their teacher Mr. John Wright.

The squad contains two boys who are current members of the London Schools Under 14 team.

**JUDO DISPLAY** — This will also be given by the squad from John Penrose School. At the recent Middlesex Schools Championships, individuals in the squad won two gold and two bronze medals. These boys are also under the guidance of Mr. John Wright who is on the verge of full International status.

**HAREFIELD ART SOCIETY** — Are holding an Art Exhibition which will be sited near the main arena. During the afternoon the Art Society will also be organising a Butterfly Competition and a Treasure Hunt.

**ANTIQUE FAIR** — Don't miss Harefield's first Antique and Collectors' Fair. Quality small antiques, jewellery, china, glass, brass, collectables, etc. etc.

For further information contact Julie Davey or Margaret Mundie, Russell Livesey Harefield 2477 or 3057.

**LOCAL POLICE**—There will be three individual displays supplied by members of our local police force. The first is a decorated car with recordings of many of the points to look for when purchasing a second-hand vehicle. We are sure that many of us would benefit from such advice at some time or other.

The second is a demonstration of security procedures for your home, where the officer involved will offer advice on your individual problems, as well as arrange visits to your homes.

The third is a static display of uniforms and equipment from the past. The collection is of considerable interest and has been made by an officer over a long period.

**FIVE-A-SIDE FOOTBALL** — This competition is open to the boys in the fourth year at Harefield Junior School.

There are three teams representing the three fourth-year classes. Most of the boys have played for the School team this year, which finished as runners-up in their group in the Schools league. They were also the losing finalists in the Borough Six-a-side Competition.

## ***Vehicles of Yesteryear***

The exhibits shown here today, are privately owned by people who have a profound interest in the restoration and maintenance of vehicles which in many cases are long forgotten.

Their owners search far and wide for these treasures and very often the condition of the vehicle requires a complete re-build, and spare parts are virtually non-existent.

The renovation is a labour of love and much time and money is spent to bring them to the condition you see today.

Should you wish to know something of the History of these exhibits, please do not hesitate to ask, as the owners would be only too pleased to tell you.

To the owners of these fine vehicles for their kindness and time in bringing their treasured possessions along this afternoon, we say THANK YOU.

## ***Carnival Queen***

Our Carnival Queen was selected by a panel of judges at a Cabaret Dance which was held at the hospital on Saturday, 6th May.

She will be riding in a Phaeton drawn by two beautiful Palomino horses near the front of the Carnival Procession.

She will be officiating throughout the day.
