## The Haverettes All Girls Marching Brass Band

Leading the procession this year will be "THE HAVERETTES" which was formed sixteen years ago. It is the first all-girls band of its kind in the London Borough of Havering and has a membership of around 70 girls whose ages range from nine to 20 years.

The Band has a long history of Youth Band Contest victories throughout the country and abroad. Winning countless trophies, medals, shields and diplomas. In 1972 they won the coveted "Grand Championship" Trophy.

The girls have appeared on television, in cabarets at three of London's most famous hotels, in carnivals, fetes, and numerous parades all over the country. They have been invited to attend a Festival in Italy later this year.

We know you will enjoy their performances both in leading the procession and later in the afternoon when they will be entertaining us with two displays in the arena.

## The Cumberland Giants

Believe it or not, you are going to see a *Battle of the Giants*. This show will amuse both young and old alike.

The contest will take place between two "12 ft Man Mountains" **Mighty Mick** and **Terrible Ted**. And who is going to referee this contest? None other than their sweetheart **Big Ethel**.

Don't miss this bit of fun! And look out for them walking up Church Hill and through the village, because we are hoping they will join our Carnival Procession.

## U.S. MARINE CORPS

A Drill Squad from the United States Marine Corps, based in London, will be giving a demonstration of Precision Drill with rifles. The complete display is carried out without a single word of command being given. You will be impressed by their discipline in this amazing performance.

## TENT PITCHING

This is the 75th Year of the Scouts. As you all know, the Scout movement among its many other activities are great campers. Today, for our entertainment, they are going to stage a Tent-pitching competition in the arena. No doubt many of us will learn a thing or two from their expertise.

## VINTAGE VEHICLE DISPLAY

To all our visitors attending the Carnival and Vintage Vehicle Display this year we extend a very hearty welcome.

These vehicles range from the 1920's to the middle 60's and give one some idea of the progress that has been made in mechanical and styling design.

Being, in the main, privately owned, one can appreciate the amount of time and money that has to be spent by the owner to keep these vehicles in the condition that you see them. One can understand that spare parts are very difficult to obtain and in some cases have to be made either from an existing pattern or engineering drawings.

We hope that you will enjoy the afternoon as it is our intention to make it as interesting as possible. If you have any questions to ask relating to the vehicles, please contact us, and we will do our best to answer them by contacting the owner.

We thank the owners most sincerely for bringing these treasured vehicles to our Carnival.

# The League of Friends of Harefield Hospital

**"KNOW YOUR FRIENDS — THEN BE A FRIEND"**

We are a voluntary organisation and a registered charity. Our aim is to help to make staff, patients and their visitors more comfortable by personal service and for the provision of extra facilities not available under the National Health Service.

We spend, on average £7,000 a year on facilities at the hospital, and last year our effort was again spread over a wide variety of relatively small but nonetheless important items. These included a contribution to the cost of maintaining the hospital swimming pool; additional Xmas amenities; £2,000 worth of new curtaining for wards; the provision of television sets and special chairs for the Geriatric wards; furnishing for quiet rooms and medical equipment.

Our pavilion and shop continues to provide a much needed service and a source of regular income. We aim to do more than provide just another place where food and drink can be purchased. We think we are succeeding in making available a quiet area where staff, visitors and patients alike can relax in a pleasant non-institutional atmosphere.

Indeed, to make our customers even more comfortable, we have embarked on a major project costing over £12,000. We have built and furnished a small extension to provide separate seating areas for smokers and non-smokers.

With a project of this size and cost, you will understand that a financially successful Carnival is even more important to us this year.

But money is not everything. All our activities depend ultimately on voluntary personal service. Why not join us? Speak to one of our members whom you will find working in the shop or the pavilion, or write to our Membership Secretary: Mrs. M. Marjoram, c/o The Pavilion, Harefield Hospital.

## Harefield Hospital Entertainments Committee

Among the many activities sponsored by this Committee are: The Inter-Hospital Quiz, Olde Tyme Dancing, Bingo, Concerts, etc.

Events are organised to raise funds to provide retired staff with a small gift at Christmas. Members of the staff who are unfortunately sick at this time are also remembered. The committee donates money for Christmas activities for the patients and staff.

# Harefield Community Association

Why not come along to the Community Centre and see what we have going for you? Maybe there is not a particular activity right now which suits you. In that case perhaps we can start one up. We are open to any ideas that you may care to put forward. There is a large executive committee

available to discuss them and provide the means to get them off the ground.

What have we got going at the moment?

Well, for starters, there is a very good **Social Section** which organises Adult Dances, Cabarets, Family Disco's, the occasional Quiz, Square Dances, etc., etc. We have a **Bingo** every Thursday, then there's our **Dancing Club** on Wednesday evenings.

"COME DANCING"

"ANYONE FOR TENNIS?"

We have a good **Tennis Club**, with three hard courts, who cater for both league and friendly tennis, or perhaps you prefer **Badminton**, both these sections have a few vacancies.

How about learning to make your own wine? Our **Wine Society** will give you a warm welcome, "I speak from experience." Are you interested in the theatre or classical music? if

so, to join our **Concert and Theatre Section** will be a must.

For the ladies, we have a **Ladies' Club**, a **Keep Fit (Movement to Music) Section**, **A Mums and Toddlers**, and for our older members there is the **Diamond Club**, who organise film-shows, numerous coach trips, visits, etc., etc.

KEEP FIT

WINE MAKING

Yes, we even have a **Sailing Section** and there's also a **Model Club** for the model enthusiasts.

Our **Catering Section** who apart from meeting the needs of all our own functions, are in great demand for weddings and other private lettings. **Do come along and join us, you won't regret it.**

# £5 REWARD

## FIND THE INTRUDER

Most of the shops in Harefield will, during the month of May, each have an article in their window which they do not normally sell (The Intruder).

Identify this article and write it alongside the name of the shop (list below).

Place the completed list, including your name and address, in the box provided at the Carnival next to the Announcers Stand.

The first correct entry drawn out at the Carnival, will receive the £5 reward.
