CARNIVAL PRINCESS

The Carnival Princess has been selected from the young girls of Harefield and will be riding in the leading float.

VINTAGE VEHICLE AND STATIONARY ENGINES

This year we are once again pleased to announce the presence of the ever popular vintage vehicle display at the Carnival. It will consist of cars, trucks, motor-cycles, farm tractors and stationary engines. The years of manufacture range from the early 1900's to the beginning of the 1970's for classic vehicles. In many cases various forms of farm implements will be driven from the many stationary engines on display.

Prizes will be awarded to winners of the different classes of vehicles. Don't forget to support the auto-jumble stalls where one can buy various bits for old motors. We extend a warm welcome to all our visitors and trust that our display will give you pleasure.

THE DARK AGES SOCIETY

The Dark Ages Society is an organisation which attempts to recreate as closely as possible life as it was in 9th Century England.

This was a time in England's History when the country was divided between Anglo-Saxon and Scandinavian immigrants both attempting to gain control of the country.

The display today will revolve around a Danish force attempting to escape from West Sussex (Wessex) army of King Alfred the Great in 894 A.D. After being besieged on an island in the River Colne they escape and proceed eastwards only to be met by more Saxons from Alfred's army

FOR THE SAFETY OF EVERYONE IT IS REQUESTED THAT YOU KEEP CHILDREN AND ANIMALS UNDER CONTROL, REMAIN OUTSIDE THE OUTER ARENA ROPE, AND DO NOT TOUCH ANY OF THE WEAPONRY.

CARNIVAL PROCESSION

AS in previous years the Procession will assemble in Moorhall Road, South Harefield, by the Horse and Barge.

The Procession will leave Moorhall Road at 12.30 p.m. go up Church Hill, through the village and will enter the Hospital grounds by the gate next to the Chalfont Line Garage at approximately 1.30 p.m.

We are hoping for even more floats in this year's procession to give a really colourful and entertaining start to the Carnival.

Although a lot of work goes into the preparation of the floats, those taking part have great fun and the effort is appreciated by everyone lining the route.

Judging will be for the best floats in the Carnival. There will be four classes: The Most Attractive; The Most Original; The Most Amusing; and The Best Individual Entry.

There will be a fancy dress competition for both adults and children. Judging will take place shortly after the arrival of the procession. Prizes will be awarded for the best adult, best child and best team.
