Welcome....

To Harefield's Silver Jubilee Celebration Day. June 7th '77

Please come and enter into the spirit of the occasion and help to make it a real day to remember.

To make this special day a success we need your participation and support.

There is something for everyone and we hope you will enjoy taking part in or watching the various activities going on throughout the day.

Whilst every effort will be made to stick to the times given, we hope you will be tolerant if events are delayed for any reason.

Why not bring a picnic and stay for the day.

Refreshments will be available.

The Silver Jubilee
Committee

How it all began

Those of us who are old enough, can remember without too much effort, where we were and what we were doing on Coronation Day, 25 years ago. The ceremonies, the street parties and the mementos. It was a time when those of us who were children will never forget, a time when communities came together.

It was with this in mind that the Harefield Silver Jubilee Committee was formed at the instigation of the Harefield Ex-servicemen's Club. All the social, sports, cultural, educational and religious organizations in the village, young and old, large and small, have come together to make this an occasion to remember with warmth and happiness for another 25 years.

Since the initial meeting in February, officials have been appointed, sub-committees formed, and much time and energy spent in instituting appeals and organizing fund-raising events. The Saturday Market where 23 organizations combined in a stupendous fund-raising effort, showed the enthusiasm and community spirit which exists in our village and augured well for the Jubilee Celebrations themselves.

The programme for the Celebration Day is the result of many meetings and much healthy argument and pooling of ideas, and what started out as a sports afternoon for the children and perhaps a memento for them to keep, has developed into a full day's festivities for all the family.

We hope that you will feel that it was all worth while and that you will enjoy yourselves.

**EVERY CHILD IN HAREFIELD
WILL RECEIVE A MEMENTO OF THE
QUEEN'S SILVER JUBILEE'**

These will be distributed later in the year.

Thanks....

To all firms, organizations and private individuals who donated money.

To all local trades people who gave prizes and display space and free services.

To all organizations and individuals who ran money-making events to raise funds.

To all judges, marshalls, officials, caterers and announcers who have helped to make events run smoothly.

To all those too numerous to mention by name, who gave any thing including their valuable time, or contributed in any way, the sincere thanks of the committee are due.

Finally, thanks are due to the Silver Jubilee Committee members themselves for their unfailing enthusiasm and good humour and unstinting work to ensure the success of the Celebration Day.

May we ask you to please co-operate by leaving your cars at home on this day, so that we may keep the centre of the village clear.
