NOTE: I would like to remind members that any lot illustrated in the catalogue or on the website forms part of the description. In addition it would be appreciated that should a member decide to send an acquired lot for expertisation, that upon receipt of the lot we be informed of the fact and to whom the lot is being sent.

For UK members, the preferred method is via **Bank Transfer**, please. Payment by cheque is also acceptable but costs the society money due to new charges recently introduced by the bank.

For non-UK members, the preferred method is via PayPal. You do not need a PayPal account because you can use a credit or debit card via the Paypal web site. (This is by far the simplest and quickest payment method - and for payments under £250 it is usually the cheapest). Members wishing to use this method will receive an email invoice from PayPal.

The only alternatives for members unable or unwilling to use the above process are as follows:-

- a. Obtain a sterling bank draft and send it by mail.
- b. Do a bank transfer (*the society's bank details, IBAN & BIC numbers, etc., available on request*).
- c. Send cash by registered mail.

Dipartimento di Roma. 16 Dicembre 1810.

H. Giudice di Pace di Terracina

H. E. M. Baron De Serando Membro della
Consultra Straordinaria negli Stati Romani

Eccellenza

Il Circendario della Bonificazione Pontina viene consi-
derato l'intero come territorio di questo mio Comune; e per ciò
soggetto alla Giurisdizione di questa Sindacatura di Pace, finché
che non venga diversamente disposto.

Sono pervenuto, e con efficacia da questo ultimo foglio
Maire, che per opera del Cantone di Spigno si vanno facen-
do atti giurisdizionali, tanto civili che Criminali, relativi
appunto al suddetto Circendario Pontino, in lesione della mia
Giurisdizione.

Quindi per non mancare al dover, che mi corre
in punto così geloso, imploro dall' E. V. quei provvedimenti,
e quei lumi, che mi van regola, come condurmi in tale
circostanza.

Con gli atti il più singolare rispetto ho l'onore
di esserne.

Vostro
Ferdinando Serando Giud.
