Rosemary Kent and her fiancé

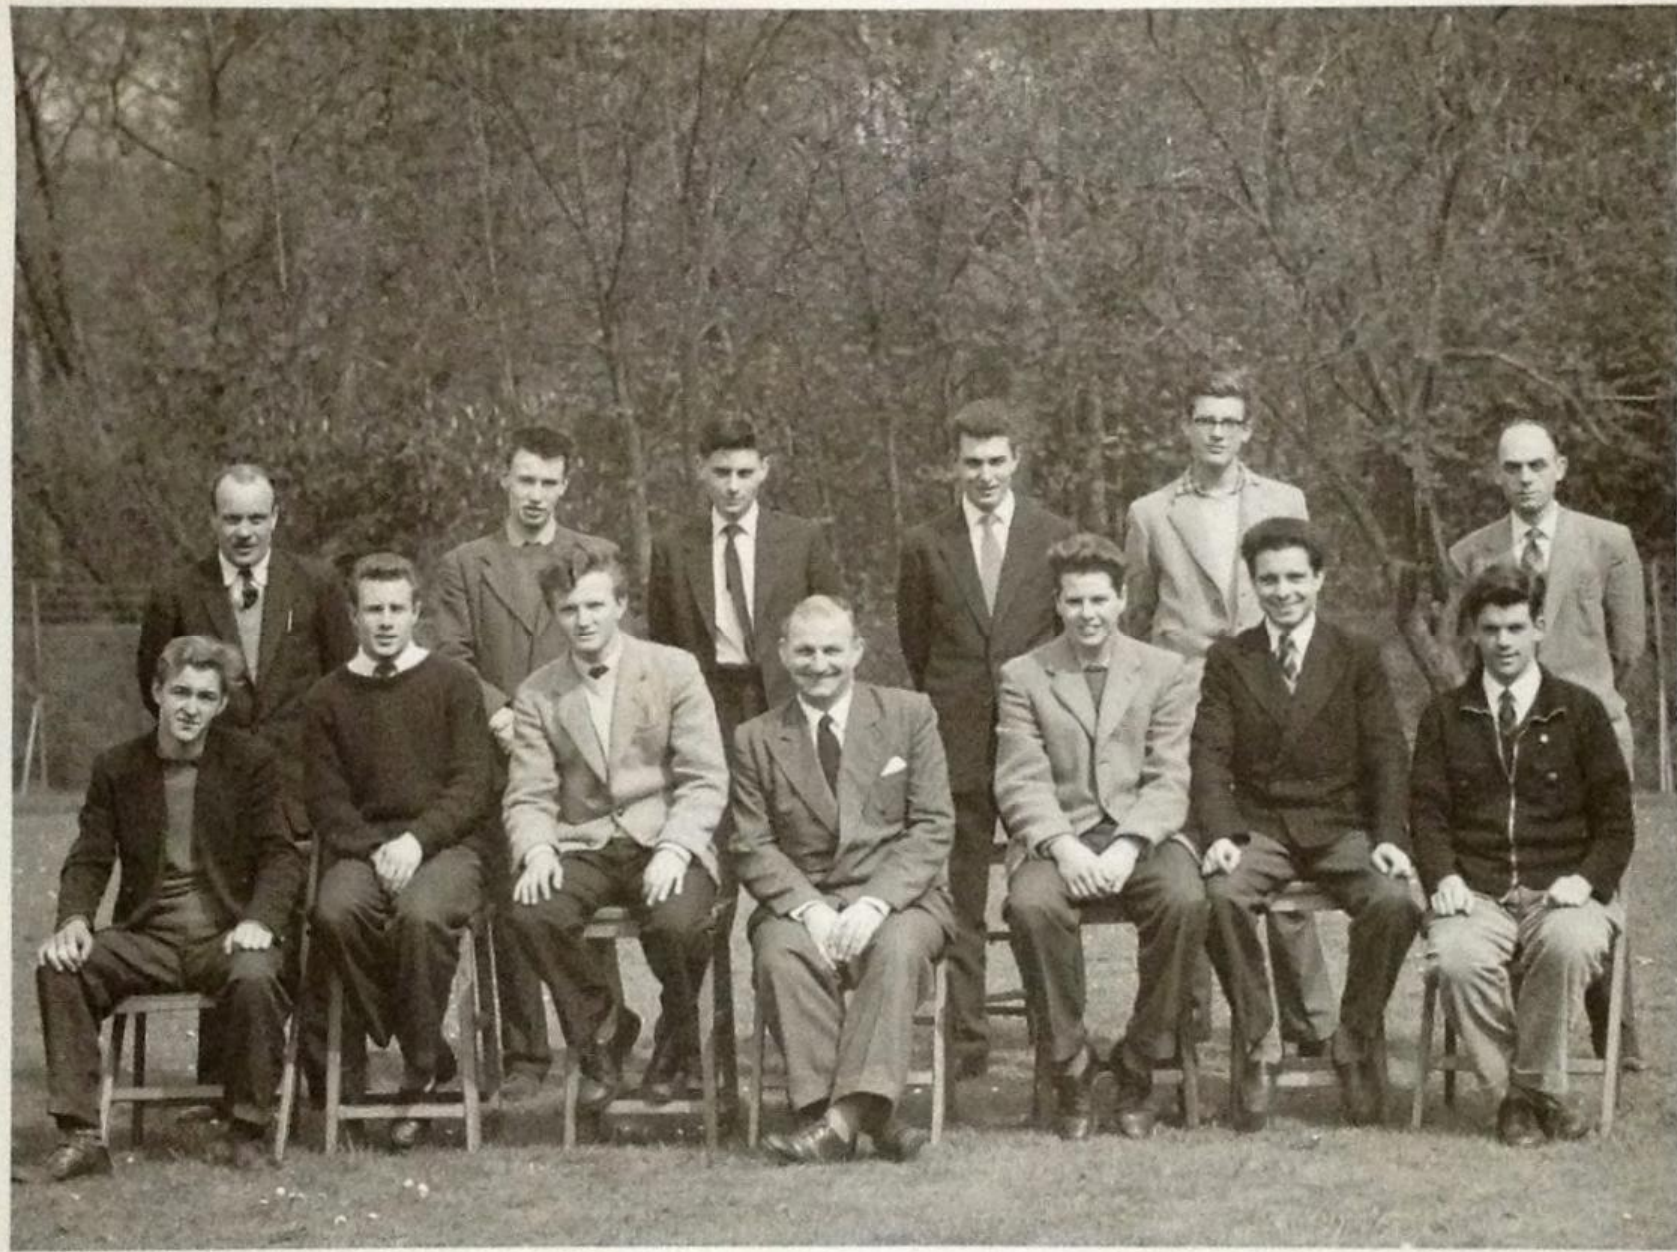

TWO Ruislip boys have won awards in national competitions organized by the Physical Society. The boys, seen above, are David Gibson, of Orchard-close, and Donald Bedford, of Cornwall-road, both apprentices at the Ministry of Supply A.I.D. Laboratories at Harefield.

The awards were presented on Thursday at the Physical Society Exhibition at the Royal Horticultural Hall.

David Gibson won the Sylvanus P. Thompson Prize for combined craftsmanship and draughtsmanship, and Donald Bedford received the first prize, junior grade, tool and gauge class, Physical Society Competition, 1956.
